Ankara; is the capital of Turkey and the country's second-largest city. Ankara city is an important tourism center of the Anatolia Region It was formerly called Angora. Ankara is a cosmopolitan city with impressive public buildings, wide avenues, parks, an opera, and an international airport. The city is the site of the University of Ankara, founded in 1946, and of the British Institute of Archaeology, opened in 1948. Today, there are several universities in Ankara.

History: Known to the ancients as Ancyra, the city was from the 200's b.c. the capital of Galatia, which, after 25 b.c., was a Roman province. The city was occupied successively by the Persians, Arabs, Seljuk Turks, and Crusaders. In the 1360's it was captured by the Ottoman Turks. Sultan Bajazet I was defeated in the area in 1402 by Tamerlane, the Mongol conqueror. Recovered by the Turks in 1431, the city remained part of the Ottoman empire until the empire's collapse after World War I. There are many historical places, and we will introduce to the participants. :)

- While creating their Youthpass Certificate together with a support person, the participants of the projects have the possibility to describe what they have done in their project and which competences they have acquired. Thus, Youthpass supports the reflection upon the personal non-formal learning process and outcomes.

- Being a Europe-wide validation instrument for non-formal learning in the youth field, Youthpass contributes to strengthening the social recognition of youth work.

- Describing the added value of the project, Youthpass supports active European citizenship of young people and of youth workers. - Youthpass also aims at supporting the employability of young people and of youth workers by documenting the acquisition of key competences on a certificate.
