

Video-report of NANF project activities – LKL and its associated partners

As activities of NANF project we support and help our associated partner ARCI Vasto (NGO) and Nuova Direzione Didattica (Primary school) to organize an Italian language course for adult refugees that live in a Reception Center in Vasto, and a “welcome day” for new students and their families in some classrooms of a primary school in Vasto too.

ITALIAN LANGUAGE COURSE – LKL and ARCI Vasto

"WELCOME DAY" FOR NEW STUDENTS AND THEIR FAMILIES
